Dear Mr. Hart,

WHITEACH II is in rough. When it is published I will let you know.

There was no revision of WHITEACH in the normal sense. We added an index and four more exhibits to make the pages come out even. Enclosed is a copy, for which there is no charge.

If you know any others who have the first printing (all others include this) and would like the index, if they will send me a stamped, self-addressed envelope I'll be happy to send one. It is beyond our capacity to write letters to all who might want it or to address envelopes.

Thanks for your interest.

Sincerely,

Harold Weisberg
